

Chief Financial Officer

Occlutech Group

Occlutech is the leader in developing innovative products for the treatment of structural heart disease. The Company develops, sells and markets Class III medical devices for the transcatheter repair of structural heart defects, including a range of specialized devices for patients with atrial fibrillation or heart failure, in over 85 markets around the world.

Position: Chief Financial Officer, Occlutech Group

Location: Istanbul (Turkey), Jena (Germany), or Helsingborg (Sweden)

Reporting: Sabine Bois, Co-CEO, Occlutech Group

Position & Responsibilities

Occlutech is looking for a Chief Financial Officer responsible for managing the financial actions of Occlutech Group; your duties include tracking Group-wide cash flow, managing financial planning and analyzing the Company's financial strengths and weaknesses and proposing corrective actions. The successful candidate should enjoy working in an international, multicultural and innovation focused organization that makes a significant impact on people's health and lives.

You will manage finance personnel at the Group's three sites, supervise external accountants in Occlutech's regional sales offices and coordinate all finance and related activities at regional, site and Group levels. You prepare and provide reliable financial reports and forecasts, handle the Group's cash flow, and lead our annual budgeting process, as well as, periodic budget reviews, as may be necessary. Finally, you will be taking necessary measures to ensure organization's continued and effective operation.

In addition, you will be responsible for:

- Controlling and evaluating Occlutech's financing needs and plans as well as capital structure
- Deciding on investment strategies by considering cash and liquidity risks
- Performing risk management by analyzing Occlutech's liabilities and investments
- Supporting and overseeing Occlutech's finance IT system (SAP)

- Ensuring the Group's compliance with the laws and regulation, as well as with Occlutech's policies and standards
- Managing supply chain relationships

We are Looking for a Candidate, who has

- An university degree in Business Administration / Finance with at least 5 years of experience as CFO in an international organization with proven negotiation and business strategy skills
- Strong leadership and organizational skills with excellent problem-solving skills
- The drive to working hands on day to day tasks as well as on an overall strategic level
- Experience in fund raising and, together with the Group CEO and Co-CEO, in communicating with different financial stakeholders
- Excellent communication- and people-skills
- Excellent knowledge of data analysis, controlling, and forecasting methods/tools
- Extensive experience with MS Office and finance management software (preferably SAP)
- Excellent English language (written/oral) skills

Occlutech can offer you a challenging and rewarding job in a team that works together with the focus on helping our customers to save and improve patients' lives with innovative and highest quality products.
